ORDER :

In the reference read above, the Engineer-in-Chief (R&B), National Highways & CRF, Vijayawada, has stated that the whole stretch of flyover runs in the city of Vijayawada opposite to the Kanakadurga temple. The completion of this project eases heavy congestion of traffic at the temple, entry to the city and also to the capital Amaravati. The approaches of flyover on Vijayawada side starts on bank of KE main canal and ends opposite to Rajiv Gandhi park in a length of 423 m, which is RE wall to a width of 24.2 m. Encircled by KE main canal, VMC office road and NH on bank of River Krishna an extent of Ac 2.8 cents (approx) land is available which is presently used for public functions and by Kanakadurga temple during festive seasons. The construction of approach with RE wall from A2 ramp to VUP-1 will bisect the site. By constructing via-duct, it will give thorough fare to both sides and the site can be aesthetically developed and can be utilized for any public purpose. Therefore, he has requested to accord permission to go ahead with the construction of via-duct portion from A2 ramp to VUP 1, subject to cost of which will be borne by GoAP, if approval is not given by MoRTH.

2. Government after careful examination of the matter, hereby accord permission to the Engineer-In-Chief,(R&B), NH & CRF, AP, Vijayawada to go ahead with the construction of via-duct portion from A2 ramp to VUP 1, in the work "6 lane Elevated Flyover from Bhavanipuram to Kanakadurgamma Varadhi in Vijayawada city", costing Rs.1906.86 Lakh (Rupees Nineteen Crore Six Lakh and Eighty Six Thousand Only) duly submitting the change of scope proposal to MoRTH, GoI again and pursue for sanction under the relevant project and if the approval is not given by MoRTH, the expenditure for this changed scope of work is to be met under the Head of Account "5054 Capital out lay on Roads and bridges – 04 District and Other Roads – MH.337 Road Works – GH.11 State Development Schemes – SH(08) Other Roads– 530 Major works -531 Other Expenditure".
